ANANDA JYOTHI - NOVITIATE:

The month of July was very special for all of us. We started our preparation for the feast of St. Ignatius from the beginning of this month. On 5th of July Fr. ISF Jayaraj our Novice Master had gone for home visit and later he made his annual retreat and returned on 21st of July. In his absence Fr. D. Thambi our Socius took care of us and

prepared us for the feast of St. Ignatius. We are very grateful to all the Fathers who had come from LPS, ALC and Retreat House for their inspiring talks and instilling the spirit of St. Ignatius in us during novena days. For all of us 31st July was an unforgettable day. We have performed *Aarani Velugu* drama for all the religious gathered in our Novitiate. It came out very well and all the novices were appreciated for performing such a striking drama from the life of St. Ignatius. Fr. Vidhya Sagar was a great help to us in directing this drama. On 2nd of August we gave farewell to Fr. S. Anthony as he is transferred to Loyola Academy and wished him God's choicest blessings for his ministry. Deacons Vijay Raju and Bosco made their ordination retreat in our Novitiate under the guidance of our Novice master. On 17th of August we all attended the Ordination ceremony at LPS. It was a memorable day where we met all the Jesuits with cheerful smiles on their faces. It was a grand celebration in the new block of LPS. We were very much touched to see the two Deacons getting ordained and were in the cloud nine. We were so lucky and blessed to attend the Ordination ceremony.

SSC-SITAGARHA

We, the three Andhra juniors, have well accommodated ourselves to God's gifted place, SSC, Sitagarha. We are very edified and challenged by the presence of our two young Tertians, Fr. K. Anil Kumar and Fr. B. Bala Kumar. They have been reinvigorated and reignited by the Lord through their month long retreat directed by the Tertian Directors, Fr. K. C. Stephen (DUM) and Fr. Ignatius Tete (RAN). Amid all these glad tidings, we also have some bad news about Sch. Aravind Kumar on seventeenth of this month, while playing basketball; he fell down and fractured his right ankle. He is quite well now, but we request your prayers for his speedy recovery.

- K. ANTHONY RAJU SJ

SICJ-TRIVANDRUM

The years following the novitiate life usually coincide with commitment to a time of study. Let me recall a few events that took place in Vidyaniketan. On 25th and 26 of July we had time management course by Fr. Lawrence (MDU). He managed his time in order to teach us time management course for two days. We prepared ourselves spiritually for the feast of St. Ignatius by having nine days of novena and on the feast day we had solemn mass celebrated by Fr. Pious Rector of St. Xavier's institutions. We sang different province songs in the refectory that made us to realize how beautiful the universal Society is! We had volley ball match in the evening. From the 6th to 9th of August we had Psycho-sexual integration by Fr. Jossy Rodrigues. He taught us how to integrate our sexuality and psychology. On Aug 15th we went to St. Xavier's college for Independence Day programme. Fr. Wilson boarded for Andhra for the Ordination and regents' meeting.

SANJEEVAN NIWAS

We, the Sanjeevanites renewed our spiritual connection to our Holy Father St. Ignatius through the novena. The feast day celebrations began with the Eucharistic celebration presided by Most. Rev. Bhagaiah Chinnabathini, Bishop of Guntur and Most. Rev. Dr. Raja Rao Thelagathotti, Bishop of Vijayawada concelebrated the Mass. It was a great joy for the Loyola family which includes staff and the students of ALC, ALIET, ALCAA and Kaladarshini. In the evening, we, the scholastics conducted a prayer service for all the religious of Vijayawada on the theme "St. Ignatius for a better Society". On the 1st of August we began our 1st Midterm Exam. Our joy was doubled when three of our brothers namely Niranjana, Dominic and Vidyasagar celebrated their birthdays in this month. We offered a very meaningful Holy Eucharist. Fr. Rayappa left for Chennai on 13th August to write M.A. Exams and returned on 18th August. Fr. Marianna was acting superior in the absence of Fr. Rayappa. Fr. Marianna was cordially invited by the people of Arul Nagar to hoist the National Flag on 15th August on the occasion of the Independence Day. We joined the college celebrations of the Independence Day. We were extremely privileged to hold two community meetings as per the directions to pray, reflect, share and propose the challenges to the new provincial and draft salient features of his profile. The entire exercise was a moment of profound prayerful sharing of our insights in the community meetings.

REGENTS MEET

We, the five regents along with Fr. Wilson, PCF, gathered at Loyola Public School, Guntur on 18th August 2019. Our sharing began with invoking the presence of God through a small prayer led by

Sch. Aseervadam. Then Fr. PCF welcomed five of us for the regents meet and enlightened us with some inputs. Our sharing mainly focused on three areas. Our role and responsibility in the respective places, our spiritual and community journey in day to day life. This sharing had given us a bird's eye view with regard to our responsibilities, spiritual journey and community life. The regents expressed their immense joy to be in their respective places and get along with the community members. The meet concluded with a short prayer led by Sch. M. Thomas Sridhar. Sch. Pallamraju, the coordinator, thanked the LPS community for the accommodation and sumptuous meal. The regents collectively decided to meet at Satyodayam for the next regents meet and triduum in the month of October. - **PALLAM RAJU SJ**

LITDS, KATUKAPALLI

The feast of St. Ignatius of Loyola brought us together. Celebration with local tribal and old students of LITDS doubled our joy. On that blessed day, we had MEO and Dr. SOMAYYA as our Guests. Fr. Maria Nayagam welcomed the guests and addressed the crowd. Fr. Superior briefed about the service rendered to the people over here to the guests. They have been journeying with LITDS from genesis. The guests were elated at the talents of our children and distributed the gifts for their performances. The WORLD INDIGENOUS DAY had filled the campus with rich cultures and we celebrated it on 4th of August. Fr. Yesurathnam, the Director of LITDS, addressed the gathering and Fr. Maria Nayagam, the Superior took the opportunity to welcome our chief guest Fr. Paul Amal and the Tribal leaders. The Presidents of different tribes were present here for the occasion. It was a spectacular sight to see them in their traditional attire. They expressed the joy and recognized

Jesuits' selfless service in their localities. One of the leaders expressed "we are happy now because of LITDS and hard work and the selfless service of Jesuits. 760 members attended the programme from Koya, Gutthu Koya, Kondareddies and Lambadies communities. Fr. Yesuratnam hoisted the National flag in Arrupe School and in some of our satellite schools on Independence Day. The villagers expressed their joy to have Fr. Yesu and his team in their villages on that great day. A guest from France namely Ms. Celia was with us for two weeks. She visited all the tribal villages and distributed the medicine along with the sister nurse. She carried rich experiences with her back to her homeland. Fr. Maria Nayagam attended the social action meeting at Dindigul and Fr. Yesuratnam attended the commission meeting at LPS recently. On 25th August, the directors and inspection committee of LINCI (THE HEALTH PROJECT) are going to visit LITDS. LITDS took initiative and helped the 10th passed children and drop out students for their next stage of academic life. We are happy to extend our service to these helpless children with the vision of St. Ignatius of Loyola and basic right education to all. Practically speaking, tribal children, once they complete a certain stage they will get married. However, now these children are being helped by our LITDS and about 25 of them are doing their Nursing course in different places.

CARMEL INSTITUTIONS, MANDAMARRI, ADILABAD

Umpteen visits to different schools led to an increase of strength in Carmel Junior College which has at present 125 students from four districts of Telanagana. The Feast of St. Ignatius of Loyola was celebrated with grandeur and students and staff came to know the life and salient features of Jesuit Education. Dances, skit on the life of St. Ignatius of Loyola and messages marked the day. Most Rev. Prince Antony, Bishop of Adilabad, visited the institution and interacted with the staff and students. His interaction enabled the staff to impart quality education more than mere teaching academic routine and his input sessions came as thought-provoking and motivational sessions for the teaching and supporting staff.

Frs. Provincial, Joseph Raj, Bala Showri and

Uvari Antony visited the campus and in fact their gracious presence propelled us to introspect our present system and learn to devise and adopt various strategies that would enhance the quality education of the campus. They too met the staff and spoke to them about the importance and striking features of Jesuit education. Their visit infused new enthusiasm among the staff and their visit was well-received and appreciated.

Fr. Prathap with his unassuming style of interaction and administration tries to chip in whenever there is a need and learnt to celebrate the oriental rite mass. People, religious and clergy appreciate him for his thought-provoking homilies and recollection talks.

VINUKONDA MISSION

For Vinukonda mission and in particular Kondramutla 15th August 2019 was a glorious day in the history. Perhaps it is only once in life time it happens that 3 important celebrations were held together at Kondramutla on that day. First of all it was a day of Fr. Prasad who made his final

commitment to the Lord that day and we had also celebration of Ascension of Mother

Mary on the day. We also had Parish feast on that day which was supposed to be held on 3rd and 4th of this month. Due to rain we had to postpone the celebration and combined it with final vows of Prasad. In the history of Kondramutla it was a day to be remembered and written in golden letters.

Nearly 2000 people witnessed the final vows of their beloved PP and also participated in the feast day celebration and nearly 25 Priests concelebrated. Previous day we had procession taking the statue of Sacred heart of Jesus to the villages and many villagers came and participated in it devotionally. Fr. Amalraj was the main celebrant and Fr. Peram Peter gave the homily. The melodious singing by the Jeevalayam choir had added beauty to the celebration. **-MATHEW NEERAKKEL SJ**

SHANTHINAGAR PARISH

We the people of Shantinagar parish have prepared ourselves for our Parish feast with a day of recollection and charismatic prayer by Fr. Gali Rayapureddy. Catholics from all five sub stations have participated and nourished the spiritual fellowship in the Lord. The feast day mass was solemnly celebrated. Fr. Alex gave the introduction; Fr. Gali Rayapureddy preached the word of God and Fr. Sunil Thumma was the main celebrant of the feast day Eucharist. Fr. Inna, the parish priest took great efforts to organize the feast day celebrations with meticulous planning and with able lay

collaboration from the parish. All the Catholics were very happy and appreciated the coming together of all the faithful for the divine celebrations. Many parishners, who are staying in Hyderabad, participated in the Eucharist and choir members who came from Hyderabad, belong to our parish added melody to the thanks giving mass.

St. Ignatius feast was celebrated in the morning at main church. Being double feast, as the founder of Jesuits and as he is the Patron saint of Fr. Inna, the feast was celebrated with more enthusiasm and gusto. Fr. Inna served breakfast to all the participants of the mass.

Vanabojanalu, in the pristine and green valleys, was organized for all the villages of the parish. On 11th Shanthinagar and Tippapuram, 15th Rddypuram, 17 Balnagar Catholic Church elders organized them very well. All Catholics thanked God for His generosity and providence. As they are all farmers, they became one with God, nature and one with one another. It was an experience of unity and gratitude. Villagers from Balnagar went to Sagar to witness the grandeur of the raging waters when 26 gates of Nagarjuna Sagar dam were opened. The villagers were thrilled and later Fr. Inna Celebrated mass for them in the holy shrine of Sagar Matha. **- INNA YERUVA SJ**

LOYOLA HIGH SCHOOL, VINUKONDA

We were all well occupied with different tasks for the last three months. We had a very good number of new admissions into our school and hostel as well. Newly established English medium school adds yet another beauty to the campus and increase in strength. On 13th July we had Holy Spirit mass by Fr. Peram Peter. Very inspiring and active was his preaching that students felt highly motivated. In the same month a group of people from Hyderabad came and conducted orientation to our students. Frs. Ravi and Joseph along with our students

make the campus spick and span and more nature friendly by planting hundreds of plants. Fr. Showry keeps himself engaged in

different works both in the hostel and the school. He is also in a great demand for the masses and recollections in and around. Hostel students feel very blissful for their monthly cultural programs.

A day before the feast of our founder father quiz competition was conducted by Fr. Joseph on the life of St. Ignatius of Loyola. On the same day we also had some cultural programs for all the students. It was wonderful and creative enough. We then distributed the prizes to the winners of the quiz competition. On 31st July we had a very grand celebration. In the morning we had the Eucharist. The main celebrant was Fr. Joseph and Fr. P. Peter broke the word of God. The presence of other religious

priests and nuns doubled our joy. The choir by our hostel students conducted by Sch. Aseer, was well appreciated. Br. Xavier Amal the minister provided us with a sumptuous meal. Having successfully completed the FA1 exams we sent our hostel students for homesick holidays for three days. We commemorated

Independence Day on 15th August in a splendid way paying homage to our freedom fighters. We had parade followed by cultural programs. The performances were enthralling and captured the attention of all the audience. Fr. Showry delivered the speech which was informative and thought provoking.

The recent visits of Pulivendula fathers and Fr. N. Kishore added joy to the community. It was the experience of companionship in the Society of Jesus. Their interaction made pre novices understand our Jesuit way of life and importance of companionship in the Society. On 15th of August, Pre-Novitiate community joined the faithful for the celebration of "Assumption of Mother Mary". This experience had increased a special love in pre novices towards praying and reciting Rosary. The weekly tests on

Saturdays and short plays on Thursdays show their special interest in learning the language. Fr. Director and Asst. Director are busy with the academic activities. Fr. Santiago takes a weekly class on catechism and attends to the spiritual needs of the Pre-novices. Arunodayam is grateful to Fr. Selvaraj for his weekly choir classes.

LOYOLA PUBLIC SCHOOL, GUNTUR

St. Ignatius feast was a memorable day for

all the community members in LPS. We had a special day of get together and a group reflection just before the feast of our founder wherein the nearby Jesuit communities like ALC, Anandajyothi and Vinukonda Mission came together in LPS. We had a meaningful session given by Fr. Amalanathan, a holy hour with the Eucharistic Lord and the Mass followed by the Agape meal. It was indeed a meaningful day prior to the feast of St. Ignatius. Thanks to Fr. Uvari who proposed the idea of coming together and Fr. Bosco who took it forward. The Ignatius feast was celebrated grandly in both LHS and LPS. The children's creativity and their artistic articulation were fabulous on the day. Thanks be to God for all their gifts and talents.

We are blessed to be the hosting community for the ordination of our two Deacons of the year-2019. It was a collective effort which bore the fruit of smooth organizing of the programme. The venue for the ordination was the new primary block of LPS and Most Rev. Bhagyaiah Chinnabathini the Bishop of Guntur ordained them. The school staff led by Fr. U. Antony played a vital role in organizing the ordination day mass and taking care of the ordinandis' parents and relatives. The hostel staff led by Fr. Naveen & Sch. ST. PATRICK'S SCHOOL, SECUNDERABAD

Twin city Ignatius feast celebrations at St. Patrick's school are well planned and executed under the able leadership of Fr. D. Papaiah. We had a good spiritual journey as a collective body. On the feast day evening, Fr. M. Thomas and Fr. Ch. Vana Chinnappa lead the gathering of invitees into deeper prayerful experience with their prayer theme on 'roots and fruits'. Later his grace Thumma Bala, Archbishop of Hyderabad was felicitated by our provincial

Fr. PS Amalraj with a shawl and a bouquet. Archbishop greeted the Jesuits and encouraged the gathering in our apostolate by having a constant motivation. The guests were provided with good dinner.

LOYOLA INSTITUTIONS, KARIMNAGAR

Incessant rains for the past few days brought greenery and vegetation to our campus. The students are quite active and busy with their academics in their respective institutions. The number of students in the Junior college rose to above 400 which is a decent figure to manage our college financial affairs. Nearly 180 students who got admission in our college belong to Defence Academy. These are not part of our hostellers, but separately accommodated and trained in our campus to meet the physical requirements of the defence.

Thanks to our former Superior and Correspondent Fr. Arockiyasamy and Principal Fr. Suresh Kumar for their dedicated service to the growth of our institutions. The community extended a warm welcome to Fr. M.A. Alex SJ, Superior and the principal of Junior college, and Fr. Dhanapaul the correspondent of our institutions to continue to run our institutions in the growth trajectory.

community and Prayer services followed by Feast day dinner for Staff and Religious on 30th and 31st July respectively. After that the gathering witnessed an impressive, meaningful and colourful show of talent performed by our students. The Community was impressed by the efforts of our students who displayed their skills and talents through plays, dances, songs and speeches depicting our Indian Culture, trends and fashions.

On 22nd August we had a meaningful Eucharistic Celebration in which Fr. T Sunil SJ pronounced his Final Vows. A good number of Jesuits were present for the occasion. Fr. Sunil's personal sharing at the end of the Eucharist was very inspiring and

motivating for all of us. Our Candidates were personally appreciated for beautifully decorating the Chapel and Fr. Vijay for his enthralling Choir and Fr. Naresh for providing us with sumptuous dinner. Over all, the spiritual ambience of celebration and happiness was present throughout the event beginning from arrangements, accommodation to the end of the dinner. Kudos to Fr.
