ANANDA JYOTHI, NOVITIATE:

We, as a community, gathered to celebrate the feast of St. Alphonsus Rodriguez on 31st October. In a very special way, we thanked the Lord for the gift of Br. Boghe and Br. John to our community in the Eucharistic celebration. We also concluded the month of Rosary by going in a procession to all our Nagarjuna communities with the statue of our Lady of the Rosary. The day brought an immense joy and happiness in our hearts. On 5th November we made our pilgrimage to St. Francis Xavier's Church at Oleru. We had a Holy mass celebrated by Fr. ISF Jeyaraj and Fr. Thambi. We specially prayed for our 1st year novices. This pilgrimage gave us a remarkable experience as we remembered our forefathers who laboured there as missionaries to spread Christianity. As our 1st years were going to begin their long retreat, they made their pilgrimage to Our Lady of Gunadala on 11th November along with Fr. ISF Jayaraj. On 9th November we had friendly basketball match with our Sanjeevan Scholastics. On 13th November we joyfully celebrated the feast of our patron saint Stanislaus Kostka. The presence of

Fathers and Brothers from ALC and LPS communities for the evening programme gave us the strength and support. In a special way we prayed for our 1st year novices. All these activities helped us to grow in our spiritual life and community life. On 15th November our 1st year brothers began their long retreat while the 2nd year brothers left for their work experiment to Perecherla with VRO.

SSC, SITAGARHA:

We are very grateful to God for Fr. Provincial's visitation to the SSC community on 29th of October. We had a personal sharing on the same day and the next morning we had the Eucharist celebrated by Fr. Provincial, PS Amal Raj SJ for three of us. During the Mass we felt closer to one another and to God, giving thanks for the marvels he has done in our lives. On 4th of November Fr. Anil Kumar and Fr. Bala kumar returned from their retreat preaching and hospital experiments. We were once again reminded of the fourth universal apostolic preference: care for the common home by Fr. Saju Sebastian and Fr. Tony Herbert during the eco-spirituality workshop for 3 days from 5th to 7th of this month. On the occasion of the feast of St. Stanislaus Kostka, we played a football match with the novices and a basketball match with the tertians. Very soon St. Stanislaus College was again well decorated for the golden jubilee celebrations of Fr. Augustine Tigga SJ, one of our community members. On 24th, the feast of Christ the King was organized by the tertians in Sitagarha parish. We joined the faithful during the Mass and Adoration and spiritually and actively took part in the presentation of a tableau. At the moment we are quite busy in our academics in the second semester and preparing for the upcoming semester exams.

SATYANILAYAM, CHENNAI:

We had our 1st and 3rd semester exams from 24th October to 1st November. And the month of November had been the time of spiritual renovation and Jesuit communion. On 4 and 5 November our community had a two-day Ignatian workshop on “The Ignatian Examine”. Fr. Sony, the PCF of Jamshedpur

province was the resource person. The workshop enabled us to go back to our Ignatian roots and to revive our Jesuit spirit of examined life. From 6 to 8 November we had annual Triduum in which we renewed our vows. On 11 and 12 we celebrated the community days. These two days had been the days of fun and frolic and togetherness. All the members of the community were formed into different groups which were the mixer of different provinces; different competitions and fun games were conducted among the groups. We cherished the true Jesuit companionship and community spirit during these two days. After all these spiritual nourishment and relaxation, we began our 2nd and 4th semester on 14 of November with renewed vigor, energy and hope. We were blessed to have Fr. Wilson, PCF in our community on 16 and 17 for his annual visitation. Those two days had been the days of grace to us. We also celebrated “The World Philosophy Day” on 21 of November. We hosted inter-philosophy department competitions on the day and many philosophy students from other colleges in Chennai participated in the competitions. It was a wonderful opportunity to interact with the students from other philosophy departments and it enhanced our perspective of the world.

-NARENDRA SJ

DNC, PUNE:

We are delighted and enthused to receive Fr. PCF to the community at the end of October. It was a great time of joy to spend the time with him, which boosted us to live in the spirit of the Society of Jesus. The month of November put us back to the academic atmosphere and regular Schedule as the even semester began. On 8th of November there was a session by Fr. Jerome Sylvester IMS, the director of Jnana Bharati IMS Theologate on the Christu Bhakta movement. It was an illuminating moment to know how the Church in North India, particularly in Varanasi gets into the life of the people

through inculturization. It was indeed joyful to celebrate the Birthday of Fr. Rector of DNC on 20th of November. JDV day, on 23rd of November presented us fresh memories and exciting moments as we exhibited our talents and extended our cooperation for the success of the event.

- **DASAN SJ**

VIDYA JYOTI, DELHI:

The month November was very colourful, filled with joy, peace and blessing. We had monthly recollection on 2nd Nov. The preacher was Fr. Maria Arockia Doss, the parish priest of Ohakala and he spoke to us on 'accompanying the youth'. He provoked us to reflect on what we do and why we do. It was well appreciated. After the serious and profound studies and exams from 4th to 8th November, scholastics had cultural tour from 11th to 15th November. It is a good custom that has been practiced in VJ. Being at the centre of the country, we have more access to visit different parts of the nation. The second semester of the academic year started immediately after the tour. The visitation of POSA, Fr. George Pattery, and ADF, Fr. I Raj, from 18th to 22nd November, was another occasion of grace for us. Both of them spent sufficient time with the scholastics. They were happy about the way all of us are performing in VJ. In the final address to the entire community, POSA stressed on 'fraternal care-frontation'. He said as companions we should guard each other and care for each other. He also encouraged the scholastics to do the course on Ethics, such as child ethics, medical and ecology. Sch. Saji celebrated his birthday on 20th followed by Fr.PR John on 22nd and Fr. Stan on 28th. On each of these days the whole community prayed and wished the members with love and care. We also had third endowment lecture on 20th Nov. The chief guest of the day was Fr. George Pattery SJ. The resource person was Sr. Pauline Chakalakal. She gave a meaningful lecture on 'who is my neighbour' based on the parable

of the Good Samaritan. It was meticulously planned by Fr.PR John and impeccably executed by Fr. Valan. Finally after different celebrations and activities each batch is getting into their studies and ministries.

-**SAJI GEORGE SJ**

NEW PRIESTS' MEET:

On 20th of November, Satyodayam marks a special day for the new priests as there was a day of sharing of their pastoral work in the presence of Provincial as well as PCF. It was a joyful occasion to come together to share our rich pastoral experiences with one another in order to be grounded and rooted in our experiences and in turn enhance the experience of the other. We, three of us, Bosco, Gabriel and Vijay had a deep pastoral sharing based on our two and half months of pastoral work. It was a moment of great joy and pride to hear From Bosco the kind of remarkable impact that he makes as a Jesuit in his pastoral work. Gabriel's work and his contribution pastorally, spiritually and socially to Saluru parish in Vizag diocese is worth noting and appreciating. Vijay does pastoral work in Koilkuntla parish in the diocese of Kurnool wherein he is engaged with the people of periphery celebrating masses, visiting their houses and teaching catechism to the children.

At the end of our sharing, we all felt that our coming together has really refreshed our minds, rejuvenated our spirits and gave a better perspective about our pastoral work to get more engaged in evangelization like our founding fathers and to get in touch with the hard realities of the people and spread the joy of the Gospel in our Parishes. We are grateful to Fr. Provincial and PCF for their presence and valuable suggestions for all of us.

ADILABAD MISSION:

It has been a great joy for me to work in the diocese of Adilabad. I thank Fr. Provincial for trusting and assigning me to work in Adilabad diocese. I am staying in Utnoor. It is one of the mission centers of Adilabad, where we have a church, a school, hostels for both boys and girls and a convent. I am entrusted with three fold responsibilities. They are; to celebrate Mass in Syro Malabar rite, to learn Gondi language and to scout the place for our mission. I am trying my level best to fulfill all my responsibilities. I have learnt both simple and solemn mass in Syro-Malabar rite. I am getting used with Gondi language. The place which we identified for our mission work is near Jainoor Mandal. It is 30km away from Utnoor, where I am presently staying. I go frequently to scout the place. Fr. Provincial, Fr. Paul Amal and myself have located the place and found a piece of land. The land is by the side of the highway road between Asifabad and Adilabad. We have not bought the land yet. We are working on finding out primary things like; documents, land proper, finding out the price of the land, survey number etc. The land is quite fertile, water source is available and the electricity line is there. I am still working on to identify some more details. I am happy and content. I help Fr. Prakash the priest in Charge at Utnoor in the church and school activities. I thank God for the gift of Fr. Xavier Rex who supports and encourages me in the mission work. I also express my heartfelt gratitude to Fr. Papaiah, Fr. Elango, Fr. Joseph Raj and Fr. Uvary Antony for visiting the place, encouraging and supporting the mission.
